### ***Congratulations***

*The District of East Anglia now has all its Tabernacles with a green collaret or higher, well done and thank you to all that have contributed to the Pillar Fund . Also two Gray and four Blue collarets have been achieved .*

***A Great effort.** Thank you and I am sure we can achieve more.*

*Have you contributed and helped your Tabernacle members yet?*

### **Grand College News**

The Pillar fund is now in excess of £370k and serious viewing of properties are underway in York.

On the 18th May 2024 centenary celebrations are planned for the Order. Lets hope we have survived after covid 19 by then !!

It has been suggested that if possible Tabernacles should have four signatories to the accounts with any two to sign so as to allow continuation in change over of treasurers etc. Please try to achieve this in your Tabernacle.

Also each Tabernacle needs to make sure measures are in place if a Treasurer or Recorder is incapacitated that the Tabernacle is able to continue by being able to gain access to the records .

New notes for Recorders and Treasurers

Grand College Dues, Invoices will be received in April to be paid with in 60 days.

Recommendations for Grand College to be received by the Grand Superintendent by **1st November** for submission to Grand College before the 31st November.

No recommendation no appointments.

Does your Tabernacle have a Pillar Fund representative ?

Covid 19

Meetings that are abandoned must still have a summons stating that and recorded in the minutes.

### **Ronald Thompson Tabernacle No 247**

Is a Past High Priests Tabernacle. I would encourage all Past High Priests to join if possible do so.

It meets twice a year in different Temples throughout the District on the first Wednesday in May and the last Wednesday in August, during the day. Unfortunately due to Covid 19 the August meeting is abandoned this year.

Dear Knight Priests

Still under the guidance for Coriv 19 I am sure we are all missing our meetings and seeing each other but there is a light at the end of all of this and we must continue for the time being with all the precautions we have been advised to keep.

Until our Masonic Halls and venues are open again we will find it very difficult to continue at present and for our own safety we need to keep to social distancing and the use of face masks when needed.

Many have suffered loneliness and even loss of loved ones but I know we are being watched over by our Lord and he will help us through this difficult time.

Have Faith.

When a meeting is abandoned it must be recorded in the minutes and a short summons produced . If installation occurs during this time if possible try to keep the same officers and reappoint them for a further year.

Hopefully 2021 will be a better year and we may return to a type of normality.

When circumstances improve we will have a lot of catching up to do and with that in mind I have quite a few Tabernacle Pillar Fund certificates to deliver and am looking forward to doing so and seeing you all again.

Thinking of you all.

The Lord bless us and watch over us,  
The Lord make his face to shine upon us,  
and be gracious unto us,  
And give us peace.

Yours in Christ .

Colin.
